

# Student Competition 2024

Access, run, and share your simulations in the cloud! ZMT invites you to submit your modeling project to the "Sim4Life.lite Student Competition 2024", which recognizes the outstanding use of numerical simulations in various research areas at universities.

WIN  
US\$ 3'000

## Who can participate?

Bachelor's, Master's, and PhD students

## How to participate?

Each participant must:

- Define a unique problem to be solved numerically with our multiphysics platform Sim4Life.lite
- Create a free Sim4Life.lite account (register at <https://sim4life-lite.io/>)
- Model and solve your problem with Sim4Life.lite
- Share the simulation project along with a short explanation

## Deadline

October 31, 2024

## Prizes

<b>1st</b>	Student: US\$ 3'000
<b>Prize</b>	Institute: One Permanent Sim4Life Academic license
<b>2nd</b>	Student: US\$ 2'000
<b>Prize</b>	Institute: One 3-year Sim4Life Academic license
<b>3rd</b>	Student: US\$ 1'000
<b>Prize</b>	Institute: One 1-year Sim4Life Academic license

Submissions are judged by a panel who evaluates the complexity, creativity, and correct use of Sim4Life.lite. The winning projects will be announced, published and documented as Sim4Life.lite tutorials on <https://sim4life-lite.io>
